Red Cat Adventures Wildcat Vessel

At Red Cat Adventures, we're committed to ensuring everyone can enjoy our tours around the breathtaking Whitsunday Islands. While we don't offer tours specifically labelled as inclusive, we're happy to customise our experiences to accommodate your needs. Whether it's ensuring enough space, assisting with accessibility, or providing additional support, we're here to help. Our priority is to be transparent about our offerings and to work closely with you to make your adventure as comfortable and enjoyable as possible.

In 2021, we welcomed the "Wildcat" to our fleet. This vessel offers improved accessibility and features a tie-down point for one wheelchair. While there are amenities onboard, please note that they are not fully wheelchair-friendly. Guests with mobility challenges will need sufficient upper body strength to use the bathroom facilities, as the amenities are designed for those with low levels of movement. Our staff are not trained to lift passengers, so we recommend that guests requiring assistance bring their support worker if needed.
